REVIEW

S.H.M.
Naperville, IL
Sep 23, 2016
★★★★★

We had a flood on Saturday, July 4th weekend and contacted our insurance company who in turn contacted American Cleaning and Restoration South LLC who then contacted us immediately. They were willing to come out right away which would mean arriving around midnight. We opted for first thing Sunday morning. They did a wonderful job of getting rid of all the carpet, drywall, etc -- very professional and did a great job -- def recommend.
